## Moving of Locality

13 SEPTEMBER 2013

Our big move took place on Friday, 13 September 2013. All secondary school students came to school on that day and chipped in to move all the school furniture from our temporary premises at St Bernadette's School, Jalan Taman Budaya to our new building at Jalan Nagor. The primary school students were given a day off on that day.

Form Two students were stationed at the new building to unload the furniture from the lorries and distribute them to the various locations within the building; whereas the Form One students were at the old building, loading the furniture onto the lorries. All in all, there were eight lorries, making a total of 21 trips. These lorries were provided through the generosity of parents. They are Mr Jores Sedek, Mr Peter Ong, Mr Vincent Tan, Mdm Carol Lim and Mr Jeremy Sim.

done!*
