P.S.

**“3A’s got Talent”** was a class activity held by students of 3A on 8 September 2014. It started off as small showcase of class talents but eventually, 1A along with Ms Christine Stephen were invited. The performances, which were rehearsed with great enthusiasm, turned out to be very entertaining and enjoyable with a variety of music genres. The event ended with a beatboxing challenge and guest performance by Bro Stanley. The event lived up to its name as all present agreed that 3A’s really got Talent!
