## 21 November 2015

The outing of the Swimming Club went well. All the students enjoyed themselves. They departed from the school at 9.00 am and returned to the school at 4.40 pm.

Parents who joined and helped out by watching over the kids and ensuring their safety at this trip were Mr and Mrs Kho, Mr and Mrs Tham, Madam Monalisa and Madam Sabrina.

Zoe Tan (F4ScTheta) as president of the club did extremely well. She organized and divided all of the students into two vans ensuring that all the Primary students were in same van as her and did head counts before and after.

At Camp Permai, there was a briefing upon arrival and small tour until Treasure Hunt started at 10.30 am. There was four groups: Team Tristan Foo, Team Hazelyn Yeo, Team Joshua Tami and Team Zoe Tan. Treasure hunt ended at 12.00 pm with Team Zoe as the winning team.

Lunch was at 1.00 pm and beach activities started at 2.00 pm. The students played at two beaches and in a jungle pool. The students stayed together all the time.

Overall, it was an enjoyable and fun trip. Students of the primary and the secondary schools created a bond. They looked out for each other, especially the older ones by being very caring. After the trip all the students actually requested for more and asked when will the next outing be.
